TeliaSonera

Press Release

May 15, 2008

Per-Arne Blomquist new CFO of TeliaSonera

Per-Arne Blomquist has been appointed Executive Vice President and Chief Financial Officer of TeliaSonera.

Per-Arne Blomquist, aged 45, is currently Executive Vice President and Chief Financial Officer of SEB (the North-European financial group), a position he has held since October 2006. He joined SEB as Head of Group Finance in 2001.

Between 1997 and 2000 Per-Arne Blomquist held various positions within the Telia Group, among others as managing director of Telia Företag. He started his career at Alfa Laval in 1989 and has a Bachelor of Science in Business Administration and Economics from the Stockholm School of Economics.

"Per-Arne Blomquist has vast experience in managing corporate financial matters in a highly competitive international environment. His background in financial services, manufacturing and telecommunications will be very valuable to TeliaSonera. I am glad that he has accepted to rejoin the group," says Lars Nyberg, President and CEO.

Per-Arne Blomquist succeeds Kim Ignatius, who as previously communicated will take up a new position outside the group.

Forward-Looking Statements

Statements made in the press release relating to future status or circumstances, including future performance and other trend projections are forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There can be no assurance that actual results will not differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of TeliaSonera.

TeliaSonera provides telecommunication services in the Nordic and Baltic countries, in Spain and the emerging markets of Eurasia, including Russia and Turkey. We are the leading European provider of quality cross-border voice, IP and capacity services, provided through our wholly-owned international carrier network. In 2007, TeliaSonera's net sales amounted to SEK 96 billion, and at the end of December 2007 the total number of subscriptions exceeded 114 million in 18 countries. The TeliaSonera share is listed on the Stockholm Stock Exchange and the Helsinki Stock Exchange, and the company is included in the Dow Jones Sustainability Index. Simplicity and service are important tools for us in creating profitable growth and value for our customers and shareholders. Read more at www.teliasonera.com
